ABSTRACT:
 TOPIC: MY STYLEBOOK
 Design your outfit of the day!
 Instead of picking up the clothes, standing in front of the mirror wondering what to wear everyday, which wastes you a lot of time, you can use this website to quickly have a try with your outfit!

You can **hide the menu bar** by clicking the "close button" when under small-screen

after clicking this button, you can **save your style design photoshoot!** and then a window will pop-up for sharing if you want. (unfinished, the feature I want to add in the future!)
